Group Exercise Etiquette
To ensure a comfortable environment for all, please refrain from wearing strong perfume/lotion, having disruptive conversation and using your cell phone during class.
Revised 6/17/2021

GROUP EXERCISE CLASS DESCRIPTIONS

Body Pump: Go beyond what you thought you could achieve with this barbell class that strengthens your entire body. This class challenges all your major muscle groups by using the best weight room exercises with precision choreography that will show you results fast!

Body Sculpt: Strong and challenging, this class will help you create lean muscle and body sculpting using dumbbells, weights and tubing.

Cycle-Core 30/30: This high intensity cardio class mixed with core stabilization exercises is the perfect work out blend. Use of body weight, bands and weights with core strength makes cardio your active rest.

Core & Strength: Each class will incorporate functional exercises that will tone the arms, legs and core. While core stabilization is always active with the use resistance bands, body weight and dumbbells, cardio becomes your active rest – you will leave here feeling energized.

Cycle 45: Get your cycle on! A challenging 45 minute ride jam packed with hills, flats, sprints and everything in between. This class will get your feet moving and your heart pumping. Get ready to sweat, work hard and have fun!

Dance Fusion: Dance to some of the hottest songs in this fitness program inspired by you! Get fit with this perfect mix of dance and boot-camp toning. A high-energy class choreographed to use every muscle for a total body workout.

F.I.T.45: Functional Interval Training is low to intense movement, strength varying cardio with core stabilization.

Flow Yoga: An upbeat yoga practice, linking breath with movement as you learn to move in and out of poses. You will build confidence, strength and flexibility.

Low Impact: This class is specifically designed for those who are new to fitness or for the active older adult crowd. Start here to get fit and mobile! We'll tune up your muscles with cardio strength endurance while developing flexibility, mobility, balance, agility and coordination.

Low Impact – Cardio: Low Impact Cardio will raise and maintain your heart rate for a good 30 minutes. Add in some weights and core work and you are set for the day. The class is good for people new to fitness or the active older adult.

Pilates: Stand taller; learn the fundamentals of Pilates classic mat work. Based on the method of Joseph Pilates, this class works your powerhouse (core) and you will make gains in balance, strength and flexibility for the entire body.

Pilates and Tone: Classic Pilates merges with weights for a perfect toning class. Work your core, gain balance while creating muscle tone and confidence.

PIYO: This aerobic total body workout combines Pilates and yoga to strengthen, stretch and keep your heart rate up. You will have a great time while you gain strength, flexibility and lose weight.

Strength and Motion Gold: This class is geared for those 55 and older. Have fun while building strength and increasing range of motion. This class is taught with the support of a chair.

Total Body Conditioning: This amazing all body work out will help you reach your cardio and muscular potential. Make this class part of your work out goals for endurance and strength. Powerful muscular movements combined with endurance training creates winning result.

WERO: Is a wildly addictive dance base workout based on the hottest Pop and Hip/Hop music.

Yoga: Find the peace among the chaos with yoga. Calm the mind with breathing and meditation techniques that yoga has to offer. Your internal focus, balance, flexibility, strength and circulation will begin to come naturally.

Zumba: Maximize caloric output, fat burning and total body toning with Latin and International music. This class features aerobic/fitness interval training with combination of fast and slow rhythms that tone and sculpt the body. Zesty Latin music, Meringues, Salsa, Reggae ton, Cumbia, and body sculpting movements provide an effective fitness system that we call Zumba!

Zumba Gold: Easy to follow low-impact moves for the beginner and the active older adult. Dancing that emphasizes the basics of Latin and International dance rhythms. This class is friendly and fun for all!

Zumba Toning: Combines targeted body- sculpting exercises and high energy cardio work with Latin- infused Zumba moves to create a dance party.
