Subject: My Interactive Health app now available!  
Date: Wednesday, July 11, 2018 11:22:35 AM

# WELLNESS AT YOUR FINGERTIPS

You can access the best of your Interactive Health Wellness Program from your iPhone or Android device with the new My Interactive Health app.

Stay engaged while improving your health throughout the year, with the added ability to receive push notifications and sync wearable devices or other popular wellness apps to make daily activity tracking easy.

The new **My Interactive Health** app puts wellness right at your fingertips.

**Download the app to get started!**

## TAP INTO THESE GREAT FEATURES:

Appointment scheduling

Personalized action steps

Health tips and resources

Activity tracking and app integration

Questions? Call Interactive Health at (800) 840-6100, Monday- Friday from 8:00 am - 6:00 pm CST.
