## Rainy Days

In the event of inclement weather, parents can find out if the camp drop-off or pick-up location for their child has changed by using Rainout Line.

Park District participants can get information from Rainout Line in one of five different ways:

- 1 Call the Rainout Line number at 630-883-4242
- 2 Visit [napervilleparks.org/cancellations](http://napervilleparks.org/cancellations) or go to our website and click on the Weather Cancellations & Closures tab (in red at top of homepage)
- 3 Opt-in to receive email updates\*
- 4 Opt-in to receive text updates\*
- 5 Download the free smartphone app\*

\*To select any of these options, visit the Naperville Park District's Rainout Line page at [napervilleparks.org/cancellations](http://napervilleparks.org/cancellations). Then click on the "Email & Text Alerts" link or select the AppStore or Android Market icons to download the app.

Details regarding the current status of activities are segmented by the specific sport or facility. Participants can manage text and/or email subscriptions by selecting the activity or facility (in this case the activity would be "Day Camps") and establishing the length of time for which to receive notifications (in this case you may choose just the dates that your child is registered for camp).

**Posts will be made by 6:30 am. If nothing is posted by 6:30 am, Camp Seager will meet at its regular outdoor park pavilion location.**
